A Single Step

Begin your journey of a thousand miles with IIUM. Located in the multiracial, multicultural nation of Malaysia, IIUM prides itself as the world?s premier Islamic University, with the dream to promote world peace while adhering to the key principles of Islamic teachings.

Begin Your Journey Here[1]

Quality Islamic Education

We believe that we should offer quality education, on par with other universities around the world, taught to our students by an international group of lecturers and experts, while simultaneously infusing our programmes and courses with Islamic teachings and values.

Global Islamic Culture

The message of peace as taught in Islam can only be realized through the people who practice it. Thus we encourage our international collection of students to participate, socialize and work with one another to forge bonds of friendship and collaboration.
