

INTERNATIONAL ISLAMIC UNIVERSITY MALAYSIA

IIUM'S CORPORATE HEALTH, SAFETY AND ENVIRONMENTAL POLICY

The *INTERNATIONAL ISLAMIC UNIVERSITY MALAYSIA (IIUM)* strives to achieve excellence in the Health, Safety and Environmental Management System (HSEMS) at the workplaces by inculcating the importance of HSE among IIUM's staff and members of the public who deal with the University.

Thus the University would like to :

- COMMIT towards compliance with all applicable HSE obligations, legal and other requirements.
- PROTECT the environment through campus sustainability strategic plan, as well as prevention of pollution, injury and ill health.
- ENSURE that all premises / workplaces and work systems are safe, not detrimental to health and conserves the environment.
- PROVIDE basic facilities and equipment in order for the staff to perform their daily duties safely, in a healthy manner and environmental friendly.
- ASCERTAIN that IIUM staff be given sufficient information, instruction, training and supervision on how to work safely without any health or environmental risk to themselves and others.
- STRIVE for continual improvement in HSEMS to enhance performance.

This **POLICY** shall be the guiding principles for the University to establish and practise a safe working culture which is not detrimental to health and no adverse impact to the environment with the cooperation from relevant interested parties.

This **POLICY** shall be updated and revised in line with the latest changes in the technology, work procedures and legal requirements. All staff and relevant interested parties shall adhere to this **POLICY** at all times.
