

Real-Tech Seed Acceleration Program

TECH PLANTER®

Step by Step To Apply for **TECH PLANTER**

(Updated 2019)

Step 1:

Go to <https://en.techplanter.com/>

And Click "Registration"

The screenshot shows the homepage of <https://en.techplanter.com/>. The browser's address bar and multiple open tabs are visible at the top. The navigation menu includes: ABOUT, EVENTS, STARTUPS, CORP, UNIVERSITY, CONTACT. The main content area features a central diagram with three boxes connected by arrows, illustrating a process flow:

- Hidden seeds:** There are many passionate researchers in University and Industry side who wants to implement their research to society. TECH PLANTER is there to support these people.
- Support for germination:** We support brushing up business idea using Leave a Nest network from University, Government agency, Super Factories, Large corporates, Investors and other specialists. We also conduct a demo day where teams may present towards decision maker from Large corporates.
- To world changing business:** After incorporation, TECH PLANTER will support securing seeds funds like, government funds and investment. As well as this, there will be support such as support for collaboration with Large corporates and prototyping collaboration with Super Factories.

Below the diagram are two buttons: "About TECH PLANTER" and "Registration (Free)".
