Profile

DR. MARIANA MOHAMED OSMAN MRTPI, APPM, is an Associate Professor at the Department of Urban and Regional Planning, Kulliyah of Architecture and Environmental Design. She is a chartered Town Planning for Royal Town Planning Institute since 2001 and a Corporate member for Board of Town Planner and previously work as Town Planner in private practice in Malaysia and as a Town Planning officer in Wolverhampton City Council in the UK, prior to joining the International Islamic University Malaysia in August 2001. At IIUM, she helped in the establishment of the Master of Urban and Regional Planning and Master of Urban Management. She has held administrative and academic leadership positions including Academic Advisor for both Bachelor of Urban and Regional Planning and Master of Urban and Regional Planning programme, Head of Department of Urban Regional Planning and currently the Deputy Dean Post Graduate for Kulliyah of Architecture and Environmental Design (KAED). She is currently appointed as Expert Panel for Social and Government Research Area by Institut Darul Ridzuan (IDR), a Think Tank for the State of Perak.

She is actively involved with the society through professional consultancy activities in Malaysia. Dr Mariana is passionate about urban planning practices which she involved in various research and consultancy works such as the study on the legalization of illegal factories in Selangor commissioned by Selangor Land and Mine Office, the preparation of Industrial Master Plan commissioned by Selayang Municipal Council and as Deputy Team Leader for Bako Peninsula Masterplan Study 2014-2030.

Dr. Mariana is active in research, postgraduate supervision and consultancy. She has authored, co-authored, edited and co-edited books and papers on urban planning and practises. Her research interest includes community and social planning, housing, tourism, transportation planning and heritage and conservation.
