Profile

Dr. Syafiee Shuid is Assistant Professor at Kulliyah of Architecture and Environmental Design, International Islamic University Malaysia. He obtained his PhD from Cardiff University in the UK specialising in low-cost housing in Malaysia. Prior to joining academia in 2000, he worked with a reputable public-listed private housing developer in Melaka from 1995 to 2000. He has held many administrative and academic positions including Head, Department of Urban and Regional Planning (URP). Head, Centre for Built Environment (CBE) and currently the Deputy Dean (Student Affairs) at Kulliyah of Architecture and Environmental Design, IIUM.

He is also actively involved with the society through professional consultancy activities. He was involved in a International and local studies with international agencies such as United Nations Development Programme (UNDP), Economic Planning Unit (EPU), Prime Minister Department, Ministry of Urban Well-being, Housing and Local Government, State Government of Sarawak, Selangor and Perak. Among notable studies including Study on Housing for Bottom 50% Income Group and Challenges of Urbanization in Malaysia for UNDP/EPU and Bako Peninsula Masterplan for the State Government of Sarawak.

He has published numerous articles and has presented papers in local and international conferences related to Malaysian low-income housing. He is also an active member of Asia Pacific Network for Housing Researchers (APNHR) and the Malaysian Institute of Planners (MIP).
