Profile

She is a teacher at the Department of Quantity Surveying, Kulliyah of Architecture and Environmental Design (KAED), International Islamic University Malaysia. Currently, she is a post graduate student at the same department and waiting the endorsement of her PhD.

She has worked with the industry i.e. Juruukur Bahan Malaysia (JUBM) and involved with the renovation of Monash University and Development of Emerald West Plan, Rawang. She is also actively involved with the society through professional boards as she is the Graduate Member of Board of Quantity Surveyor Malaysia (BQSM) and Register Member of Royal Institution of Surveyors Malaysia (RISM).

She is a member of the Procurement and Project Delivery System Research Unit, International Islamic University Malaysia, Kuala Lumpur and committee of the Journal of Quantity Surveying and Construction Business. She has presented and published works on quantity surveying, contract administration and Shariah compliance insurance (Takaful) for Construction. Her latest entry in the IIUM Research, Invention and Innovation Exhibition (IRIIE) 2014 was awarded the 'Gold Medal Award'.
