Profile

She joined International Islamic University Malaysia (IIUM) in 1997. She is currently a lecturer and Head of Department at the Department of Applied Arts and Design, Kulliyah of Architecture and Environmental Design (KAED). Prior to this, she was among the department members to hold a responsibility to develop the curriculum for Bachelor of Applied Arts and Design programme. She also has held positions as academic advisor and research consultant at her department and university levels. She wrote a number of research papers in local and international journals, book chapters and articles on Malay wood carving, cultural heritage and art conservation. She also has presented her work at major academic national and international conferences.
