Contact No.: 03-6196 5256 (office), 019-208 1577 (mobile)

Profile

Currently, she is a lecturer at the Department of Landscape Architecture, Kulliyah of Architecture and Environmental Design (KAED), International Islamic University Malaysia (IIUM), an internationally recognized built environment and art school.

She has held several academic and non-academic administrative positions such as Academic Advisor, Bachelor of Landscape Architecture, Department of Landscape Architecture, KAED (2008-2010), Bureau of Sports and Recreation, KAED Social and Welfare Club (2007-2009) and was appointed as Department Representative in the Kulliyah Website Committee (2008). She is also actively involved with students' activities such as KAED FEST, ALAM and ROYAL FLORIA.

Before joining IIUM, she was a Landscape Architect at Petaling Jaya City Council (MBPJ) from 2003-2007. During her tenure as a Landscape Architect for MBPJ, many of her works involved with public participation and designing for the community of Petaling Jaya.

She is interested in the field of landscape architecture and recreational planning. More specifically, her works examine policies and regulations related to open space planning in Peninsular Malaysia.
