***“The example of those who spend their wealth in the way of Allah is like a seed [of grain] which grows seven spikes; in each spike is a hundred grains. And Allah multiplies [His reward] for whom He wills. And Allah is all-Encompassing and Knowing.”***

## Background

IIUM Endowment Fund (IEF) which has been established in 1999, is identical to Al-Azhar University Waqf and endowment fund of eminent universities in the UK and USA. The main purpose of its establishment is to assist the poor and needy students in our University who are academically good but incapable of financing the fees and the cost of living.

Since its establishment, IEF has initiated some activities for raising some fund for the students, involving both internal and external parties. It includes the General Donation from individuals, companies and organizations; RM1 Campaign; Collection of Zakat through the collaboration with Lembaga Zakat Selangor (previously known as Pusat Zakat Selangor). We have also involved in few business collaborations e.g. AmBank Islamic-IIUM Credit Card, **JomPay** etc.

## IEF Financial Assistance To Needy Students

The University has been providing financial assistance to the needy student from the various part of the Muslim world. While admission into academic programs is based on students' academic qualifications, moral conduct practice of Islamic teachings, students' eligibility for financial assistance is determined on case-by-case basis. Depending on students' financial standard, the assistance can cover tuition fees and accommodation or it may also include living expenses.
