Dear Prof. / Dr.,

السلام عليكم ورحمة الله وبركاته

BUDGET FOR RESEARCH CLUSTERS

May this letter reach you while you are in the best of health and circumstances by the grace and mercy of Allāh Subhānahū watacālā.

For your information, in order to promote research activities, the University initiated the research clusters initiatives in 2004. As a support, the University has also agreed to provide RM50K and RM20K grants for each of the 41 research clusters

However, our records show that the performance of most of these research clusters are not satisfactory and the allocated budget was also not fully used. Therefore, the University Management through its meeting no. 8/2018 on 6th June 2018 decided to recoup all the unused budget and put it at a central research account. This decision, however, does not mean that the research clusters are disbanded. The University would encourage all research clusters who plan to continue their activities by applying research grants, available locally or internationally.

On that note, it is our hope that this decision will not detour you from your research activities and programmes. We value your understanding and cooperation in this matter.

Thank you. والسلام
