

DEPOSIT YOUR ONLINE TALK ON IREP

Nowadays, we tend to find many programs / lectures / talks / webinars organized using Google Meet, Zoom and other available online applications. In relation to this, you may have added in your personal list a video collection of your works (recorded version) uploaded on the Internet; i.e. Youtube, Academic Electronic Media, etc. If you wish to make the programme details appear in your CV, you may upload the information in the IREP system.
