السلام عليكم ورحمة الله وبركاته

FREE ELECTIVE COURSES

One of the future directions of the University is developing Flexible Education. It is through the Flexible Education that each Kulliyah is offering minor packages and thereby students are allowed to register elective courses from other Kulliyahs.

In relation to this, the Senate in its meeting no. 459 held on 30th August 2019 has endorsed list of free elective courses with effect from Semester 1, 2019/2020.

You are advised to plan your course registration in order to accommodate the free elective courses. Relevant minoring package will be recorded in your academic record by the Kulliyah should you manage to register and pass a minimum of 21 credit hour from a single field of the stipulated free elective courses.

Thank you, والسلام
