AN INTERNATIONAL AWARD-WINNING INSTITUTION FOR SUSTAINABILITY

ANNOUNCEMENT CMCO 01/2021

**This announcement is to be read with Advisory CMCO 01/2021*

(FOR INTERNAL CIRCULATION ONLY)

IIUM is steadfast in sustaining the safety of the IIUM community. In light with the recent growth in the number of COVID-19 cases and the multiple clusters happening nationally, we wish to inform that a number of COVID-19 positive cases had been diagnosed among students and staff of IIUM Gombak campus.

Currently, the situation in the university is under control and we collectively continue to undertake pro-active, preventive, and precautionary measures as issued by *Kementerian Kesihatan Malaysia (KKM)* and *Majlis Keselamatan Negara (MKN)*.

Among the measures already taken to ensure the safety of the IIUM community include identifying and isolating those who are affected, contact tracing and sanitising the affected premises.

We seek your cooperation to **strictly** follow all University safety measures and SOPs.

Thank you.
