

ADVISORY DURING PHASE 2 OF NATIONAL RECOVERY PLAN

GUIDELINE ON INTER-STATE TRAVEL FOR FULLY VACCINATED LONG-DISTANCE COUPLE AND PARENTS TO MEET SPOUSES AND CHILDREN WHO ARE UNDER 18 YEARS OLD

**This guideline is applicable for Staff of IIUM Kuantan and Gambang Campuses only*

1. As announced by the Prime Minister of Malaysia on 8th August 2021, long-distance couples and parents who have received both doses of COVID-19 vaccine shots are allowed to travel inter-state to meet their spouses and children who are under 18 years old.
2. Hence, the IIUM Kuantan Covid-19 Committee in its meeting on 12th August 2021 has decided that staff are required to inform the Kulliyah/Centre/Office Task Force before making their inter-state travel plan.
3. Staff are advisable to plan their inter-state travel by minimizing the frequencies of travelling to reduce the risk of Covid-19 spread.
4. Staff are expected at all time follow the SOP and to take appropriate measures during their inter-state travel.
5. Staff who have symptoms must immediately go to the Family Health Clinic, IIUM Health & Wellness Centre, CFS Gambang or nearby clinic for further assessment and treatment. They are not allowed to work on campus and required for self-quarantine at home.
6. Any inquiry, please contact Covid-19 Task Force at your respective KCDIOM.
7. To read the latest SOP issued by IIUM Kuantan Covid-19 Operation Room, please click this link: <https://www.iium.edu.my/office/ocd/standard-operating-procedure-sop>

Thank you and *wassalam*.
