A student does not need to repeat courses with C grade as long as the CGPA \geq 3.00

- 19.8.3 A student's status in the programme shall be determined after earning every eight (8) credit hours in the programme. - 19.9.3 An appeal for re-evaluation of course offered with no final exam must be on the final written assessment valued at least 30% of the

total assessment identified by the lecturer of the course. The appeal must be made to the Centre of Studies immediately after releasing the final result. The availability of this appeal depends on approval from the Centre of Studies.
